

Welcome to Spain: COVID-19 Recommendations for Travellers

REMEMBER: If you are travelling, check with your airline before going to the airport and remember that the use of a **face mask** is mandatory in all public outdoor and indoor spaces if it is not possible to maintain the safety distance. Follow the hygienic measures, maintain a safety distance of **1.5m** from any other person and collect your luggage individually.

PREVENTIVE MEASURES AGAINST COVID-19

If you have symptoms, stay at home or your accommodation and self-isolate in a room by yourself

Keep 1.5m distance from others

Wash your hands frequently and thoroughly

Avoid touching eyes, nose and mouth

Cover nose and mouth with your elbow when coughing or sneezing

Use disposable tissues

If you are travelling to Spain

If you are preparing a journey to Spain, we inform you that due to the COVID-19 health crisis, from July 1st, 2020, it will be mandatory to present a Health Control Form upon arrival at the airport. You can access the form on the website www.spth.gob.es or download the Spain Travel Health app on your mobile from the same website.

YOU SHOULD NOT TRAVEL if you have symptoms compatible with COVID-19: fever, cough, shortness of breath, with onset in the last 14 days, or if you have been diagnosed with COVID-19 in the last 14 days.

Before travelling

You must complete the Health Control Form on the website or the app, and from **48 HOURS** before the flight you can submit the form. Once submitted, you will receive an email with a QR code that will allow you to access the airport of destination. You can print out the code or save it on your mobile phone.

At the airport

At the airport of destination, you must show the QR code that will be scanned in order to be able to access the terminal and collect your luggage.

At the airport and during the flight, maintain a safety distance of 1.5m from others, wash your hands frequently and cover nose and mouth when coughing or sneezing

During the trip and your stay

FLIGHT

- If you develop symptoms (fever, cough, shortness of breath) or feel unwell during the flight, notify the crew as soon as possible.
- The use of a face mask is compulsory on public transport.

AIRPORT

- Collaborate with the public health screening established at the airport.
- Upon arrival at the destination, minimize interactions with other persons and the time spent at the airport, to reduce the risk of virus transmission

DURING YOUR STAY

- If during your stay in Spain you have symptoms compatible with COVID-19 (fever, shortness of breath, cough) or other symptoms compatible with COVID-19 such as decreased sense of smell and taste, chills, sore throat, diarrhea or vomiting, you should isolate yourself in your room and call the hotline for your region and in case of emergency call 112.

Consult official sources for information.
